Thanks for the years of faithful support

APTS community in national dress

**ANNUAL MISSIONS CONFERENCE**

One of the highlights in the APTS calendar is the annual missions conference. This year the APTS community focused on unreached people groups. Dr. Alan Johnson from Thailand challenged us to pray, give and go to target groups that are unreached people worldwide. The response was overwhelming as monies were pledged for 5 projects and many responded to answer the call to reach out to these target groups. The final night featured the international dinner with cultural delicacies including balut (chicken embryo in the egg), Malaysian curry, and Mongolian meat cakes. The evening then concluded with presentations and national dress featuring the varied cultures of our community. With songs, dance, and drama, missions came alive as each region demonstrated the richness of their cultures and the great spiritual needs of their people. The conference could be described as both celebration and consecration.

President-elect Yee Tham Wan and wife

Students from China and Korea

*Continue to pray for students from 20 nations studying at APTS this school year. They need strength and resources as they train to change the future of their nations. This is truly "Change you can believe in!"*

## **FUNDS AND PRAYER URGENTLY NEEDED!**

As we conclude our 5 years at APTS we will have the honor of inaugurating the 9<sup>th</sup> president of APTS. After 45 years in existence, for the first time, an excellent Asian Leader has been selected as President-Elect. Thanks for your prayers for Tham Wan Yee as he takes office next April. *Thank you for your support which makes it possible for Judy and me to serve at APTS.*

*The beautiful new Academic Research Center is completed but we urgently need funds to equip and furnish the 5-story facility. If you would like to “Adopt-a-Room” in the new facility, see the list below and respond accordingly. Thank you!*

The following is the list of the rooms still waiting for adoption to furnish and complete the building: (name plates will list the sponsoring church or person.)

### **FIFTH FLOOR-FACULTY FLOOR**
